Rescue • Rehabilitate • Reconnect • Restoring A Child's Hope

## Prayers Please!! Be Part of Making a Dream Come True!

On recent trips to Ethiopia, Pastor Surafel, the Founder and Director of Hope for the Hopeless (H4H) has visited the UN camps for those displaced by the civil war. He witnessed and has tried to provide aid to thousands of Ethiopians who have been displaced by the conflict, including thousands of children who have lost their parents to the fighting.

Much like his original inspiration for Hope for the Hopeless 27 years ago, he has a dream to rescue 1,000 of these orphaned children from the UN camps and bring them to the H4H facilities around Addis Ababa. We have been telling you about this mission in the past few newsletters. With the generosity of a Christian Group in Phoenix, Pastor Surafel is back in Ethiopia right now, working to bring busloads of orphaned children to Addis Ababa and find foster homes for these children. Hope for the Hopeless will also take in some of these children.

This is an enormous project and funding is currently inadequate – at this point, we just have enough to begin the process to save these children. Can you please help? Is it within you to be a part of this miracle to save 1,000 children who have lost everything? Often, we ask ourselves in overwhelming tragedies such as this “How can I help?” 100% of your donations will go to support these

children, click the “Donate” button below and your one-time or reoccurring gift will help.

**Please include Pastor Surafel and all these precious children in your prayers. Thank you and we will send more information and photos of this project soon.**

We are seeking **additional board members** who can assist us in reaching all these goals. Please let us know if you have interest. Meetings will be held quarterly via Zoom.

**The children and staff send their thanks and prayers, they are so grateful for your support!**

**Please donate if you can....**

We thank you for your continued support and for any additional support you can give during this time of increased instability in Ethiopia. Providing more resources to support our children and increasing the availability of medical care for the community seems a beautiful gift to give. **Thank you!**
