Rescue • Rehabilitate • Reconnect • Restoring A Child's Hope

Dear Hope 4 Hopeless Sponsors and Supporters, Pastor Surafel Travels to Ethiopia in Late January 2022. Here is an update

Founder and Executive Director of Hope for the Hopeless, Pastor Surafel Gebretsadik, traveled back to Ethiopia last month to coordinate further renewal of the license with the Ethiopian government on behalf of our locations that house our children. He was able to give some much-needed assistance to our staff who are struggling

with inflation and shortage of basic necessities.

While in Ethiopia, Pastor Surafel organized a trip of over 160 kilometers to an area close to the conflict in the country to bring some needed supplies. He was able to secure some bedding and cases of pasta, to deliver to the ravaged area. **He asks for continued prayers and support for so many that are literally starving.** He said I have seen a lot of children separated from their parent and need a place to be raised and many families who were displaced from their village.

We are seeking **additional board members** who can assist us in reaching all these goals. Please let us know if you have interest. Meetings will be held quarterly via Zoom.

The children and staff send their thanks and prayers, they are so grateful for your support!

Please donate if you can....

We thank you for your continued support and for any additional support you can give during this time of increased instability in Ethiopia. Providing more resources to support our children and increasing the availability of medical care for the community seems a beautiful gift to give. **Thank you!**
